

Bus transport to Upton High School from June 15th 2020

Please be aware that the current safety advice is to use buses for essential travel purposes only. The wearing of face masks is mandatory for all travellers and social distancing applies on buses too.

Arrowbrooks (for Mickle Trafford/Guilden Sutton) and Cheshire Travel Services (for Mollington/Wervin) are operating normally from Monday June 15th 2020.

Pick up and drop off times will be the same. This means that Y10 students who attend for the mornings only will **not** have the return transport (as they leave school at 12 noon), so you will have to make your own arrangements for your child to get home.

For students in Year 12, they can use these services to take them home at 3.10pm but the bus will **not be available** to get them to school for 1pm, so you will need to make separate arrangements.

The regular bus routes operated by Stagecoach (such as the 51 and 53 service) are running as normal and are available to students. However, please check with Stagecoach in case there are any last minute changes!
