Music Lessons at Upton-by-Chester High School 2022-2023

Dear Parent/Guardian,

I am delighted that your child has shown an interest in learning to play an instrument and we are looking forward to being able to support your child on their musical journey.

We are pleased to be able to work in partnership with Upton High School to provide a wide range of musical opportunities for pupils. In addition to the many ensembles and musical experiences your child will experience at Upton, we are providing pupils at Upton with specialist tutors, free membership to Edsential ensembles, music theory lessons and a reduction on instrument hire.

Lessons take place during school time and after school time. They are rotated, so pupils do not miss the same lesson each week. Our tutors will display their timetables on the departments designated noticeboard.

Music lessons Upton are very well supported by school with lesson fees significantly subsidised from the school budget (42% subsidy), but the balance must be met by parental contributions. The current parent/guardian fees are:

£7.20 (inc. VAT) per 20-minute lesson

To complete the enrolment process, please sign up to the [Edsential Music Portal](#).

Create an account, select 'school and online tuition', choose 'Upton High School' from the list of schools then select which instrument lessons you require. Lesson prices shown on the portal are excluding VAT at £6.

All payments for lessons will be dealt with directly by Edsential and we will also support you in hiring an instrument should you need one: Our instrument resource centre is conveniently located off junction 7 of the M53.

If you have any questions, please do not hesitate to contact us at music@edsential.co.uk
