Dear Parents and Carers of Year 6 Learners,

I hope this letter finds you well as we approach the Easter weekend and Spring break.

Over the past few weeks, we have been conducting a number of visits to many of our feeder primary schools to meet Year 6 learners who will be joining us at Upton in September. Mr Rutter (Assistant Headteacher), Miss Bardsley (Pastoral Manager for Year 7 2021-22) and myself (Head of Year for Year 7 2021-22) have been talking to the children about life at secondary school. We have discussed who will be looking after the new Year 7 learners when they arrive, what will happen on their first day and all of the exciting activities they will be able to be involved in when here at Upton High School.

We have also answered a number of very good questions during our talks and hope that our visits have not only been informative, but have also eased any worries the children may have had. If you or your child still have questions, you would like to ask, then please feel free to contact the 2021-22 Year 7 team by email: transition21@uptonhigh.co.uk

We have a few more schools and children to meet, so if we have not yet been to your child's school then we intend to be in contact soon after the break. In the meantime, I would like to wish you and your families a Happy Easter and a relaxing break.

Yours sincerely,

Mr S Wearden,
Head of Year 7, 2021-22.
