

# Foundation Revision Module 1 Number

## Edexcel Revision Guide

Place value	page 1
Negative numbers	page 2
Rounding numbers	page 3
Adding and subtracting	page 4
Multiplying and dividing	page 5
Decimals and place value	page 6
Operations on decimals	page 7
Squares, cubes and roots	page 8
Indices	page 9
Estimation	page 10
Factors, multiples and primes	page 11
HCF and LCM	page 12

# Foundation Revision Module 2 Algebra 1

## Edexcel Revision Guide

Collecting like terms	page 22
Simplifying expressions	page 23
Algebraic indices	page 24
Substitution	page 25
Formulae	page 26
Writing formulae	page 27
Expanding brackets	page 28
Factorising	page 29

# Foundation Revision Module 3 Statistics 1

## Edexcel Revision Guide

Two way tables	page 115
Pictograms	page 116
Bar charts	page 117
Pie charts	page 118
Scatter graphs	page 119
Averages and range	page 120
Line graphs	page 123
Stem and leaf diagrams	page 124

# Foundation Revision Module 4 Number 2

## Edexcel Revision Guide

Fractions	page 13
Operations on fractions	page 14
Mixed numbers	page 15
Percentages	page 55
Fractions, decimals and percentages	page 56
Percentage change 1	page 57
Percentage change 2	page 58

# Foundation Revision Module 5 Algebra 2

## Edexcel Revision Guide

Linear equations 1	page 30
Linear equations 2	page 31
Inequalities	page 32
Solving inequalities	page 33
Sequences 1	page 34
Sequences 2	page 35
Coordinates	page 36
Gradients of lines	page 37
Straight line graphs 1	page 38
Straight line graphs 2	page 39

# Foundation Revision Module 6

## Geometry and Measures 1

### Edexcel Revision Guide

Coordinates	page 36
Real-life graphs	page 40
Distance-time graphs	page 41
Rates of change	page 42
Time and timetables	page 77
Symmetry	page 71
Translations	page 86
Reflections	page 87
Rotations	page 88
Enlargements	page 89
Similarity and congruence	page 90

# Foundation Revision Module 7 Probability 1

## Edexcel Revision Guide

Two way tables	page 115
Probability 1	page 128
Probability 2	page 129
Relative frequency	page 130
Frequency and outcomes	page 131
Venn diagrams	page 132
Independent events	page 133

# Foundation Revision Module 8

## Statistics 2 & Geometry and measures 2

### Edexcel Revision Guide

Averages and range	page 120
Averages from tables 1	page 121
Averages from tables 2	page 122
Sampling	page 125
Stratified sampling	page 126
Comparing data	page 127
Reading scales	page 78
Perimeter and area	page 79
Area formulae	page 80
Solving area problems	page 81
3D shapes	page 82
Volumes of cuboids	page 83
Prisms	page 84
Units of area and volume	page 85
Metric Units	page 61

# Foundation Revision Module 9 Ratio and Proportion 1

## Edexcel Revision Guide

Ratio 1	page 59
Ratio 2	page 60
Proportion	page 67
Proportion and graphs	page 68

# Foundation Revision Module 10

## Geometry and measures 3

## Edexcel Revision Guide

Pythagoras' theorem	page 90
Line segments	page 91
Trigonometry 1	page 92
Trigonometry 2	page 93
Solving trigonometry problems	page 94
Measuring and drawing angles	page 95
Measuring lines	page 96
Plans and elevations	page 97
Scale drawing and maps	page 98
Constructions 1	page 99
Constructions 2	page 100
Loci	page 101
Bearings	page 102

# Foundation Revision Module 11

## Geometry and measures 4

### Edexcel Revision Guide

Quadrilaterals	page 72
Angles 1	page 73
Angles 2	page 74
Solving angle problems	page 75
Angles in polygons	page 76

# Foundation Revision Module 12

## Ratio and proportion 2 / Geometry and measures 5

### Edexcel Revision Guide

Percentage change 1	page 57
Percentage change 2	page 58
Reverse percentages	page 62
Growth and decay	page 63
Speed	page 64
Density	page 65
Other compound measures	page 66
Proportion	page 67
Proportion and graphs	page 68
Circles	page 103
Area of a circle	page 104
Sectors of circles	page 105
Cylinders	page 106
Volumes of 3D shapes	page 107
Surface area	page 108

# Foundation Revision Module 13

## Algebra 3

### Edexcel Revision Guide

Expanding double brackets	page 43
Quadratic graphs	page 44
Using quadratic graphs	page 45
Factorising quadratics	page 46
Quadratic equations	page 47

# Foundation Revision Module 14

## Number 3

### Edexcel Revision Guide

Indices	page 9
Operations on fractions	page 14
Mixed numbers	page 15
Standard form 1	page 17
Standard form 2	page 18

# Foundation Revision Module 15

## Geometry and measures 6

### Edexcel Revision Guide

Enlargements	page 89
Similarity and congruence	page 109
Similar shapes	page 110
Congruent triangles	page 111
Vectors	page 112

# Foundation Revision Module 16

## Algebra 4

## Edexcel Revision Guide

Cubic and reciprocal graphs	page 48
Simultaneous equations	page 49
Rearranging formulae	page 50
Using algebra	page 51
Identities and proof	page 52
