Shorts will only be appropriate during the Summer Term, therefore full length trousers should be worn from September.

Thank you

## Geography Club are organising a Clothes Swap

Where: Geography Resource Area

When: Break time - Thursday 6th June

How does it work? Students bring their clean item of clothing to the Geography Department between 3rd and 5th June. For each item they donate they will receive a ticket, they bring the ticket along to the Clothes Swap and find a new (to you) item of clothing

All clean, undamaged items of clothing no socks, shoes etc.

## Eco-Schools Action Team – Nearly new uniform scheme

If you have any uniform that no longer fits your son/daughter and you would consider donating it to school we would be delighted to accept it. Please bring it into the main reception at school labelled for the 'Nearly New Uniform Scheme'.

Once we are up and running we will also be offering a 'uniform Exchange' which allows you to **'swap'** any items of **clean uniform** that your child has outgrown for **'nearly new'** uniform clothing in their **new** size.

We will keep you posted when we have stock available

The uniform exchange aims to recycle and donate school uniform items rather than putting/throwing them away.
