Dear Student,

In order to help you prepare for the transition from GCSE to A levels, you are required to complete a subject specific task for each of the three subjects you have applied to study.

To access the resources please go to the school website and follow the link.

- **Sixth Form**
- **September A Level preparation tasks (Summer Tasks)**
- **Click on to the subjects you have chosen to study at A level**
- **Download the tasks set for each subject**
- **Complete set tasks by the date indicated by each Department**
- **Work will be assessed and marked by your teacher(s).**

If you are uncertain about what you need to do, please speak to your subject teachers or, if you are an external applicant, please contact school and ask to speak to the Head of the relevant department.

**THIS WORK IS COMPULSORY** and is designed to prepare you for your return to studies in key Stage 5.
