

Learning to shape the future

Headteacher: Mr L Cummins B.Ed (Hons), M.Ed, NPQH

23rd February 2021

Dear Parents and Carers

As you will be aware schools have received guidance from the Government regarding the full reopening of school from Monday 8th March 2021. I have attached a link to the Department for Education press release which was released yesterday, <https://www.gov.uk/government/news/mass-testing-for-secondary-pupils-as-all-schools-and-colleges-fully-reopen-from-8-march>.

As you will see there are some changes to the way that schools will operate including the requirement to test all learners for asymptomatic cases of COVID-19 on their return. (As I have always stated this will only be completed with your consent.) Due to this testing requirement there will be a phased return to school. We anticipate this phased return being the week beginning 8th March 2021. We are currently working on the detail of this and will share this with you as soon as possible.

In the meantime, thank you for your ongoing support of our learners' remote learning over the next two weeks. I look forward to contacting you with the details for our return and am very pleased we will be welcoming learners back to school from Monday 8th March 2021.

Yours faithfully

L Cummins
Headteacher
