

Parent E-Bulletin – Spring Term Week Commencing 6th February 2023

Sixth Form Charity Week 6-10th February

Dear parents/carers,

During the week beginning the 6th February 2023, the Sixth Form will be holding their annual charity week. This event offers a range of leadership opportunities to Sixth Form learners while also bringing together the school community in raising money for a good cause. This year, the Sixth Form learners have voted to donate all money raised to The British Liver Trust, which was nominated by a Year 13 learner whose family has been supported by this organisation.

We need the help of our entire Upton-By-Chester community to raise as much support as possible. The Sixth Form will be delivering assemblies to all year groups during the week of the 30th January, and following this the whole school will have a chance to get involved. In the past, we have had tremendous success and have donated thousands of pounds to good causes. It is a week that is looked forward to and planned carefully by the Sixth Form Leadership Team with the support of staff and other learners and we hope to continue the work of previous years.

A variety of exciting events will take place throughout the week including sponge the teacher, dodgeball, staff karaoke, bake sales and a penny save (we ask learners to bring in spare change and the form that collects the most will be given a small prize at the end of the week). We ask for small cash donations for entry and participation in some of the above events. Please find below the full activity timetable which includes some after school events.

Friday 10th February will be a whole school non uniform day. We invite all learners (years 7-11) to wear their own clothes and contribute £1 by Thursday 9th February to support the charity. If learners wish to take part, they can bring the donation to their form tutor. Learners are still required to wear clothing that is suitable and safe for use in practical lessons such as those in laboratories or workshops and to bring in PE kit if required. All lessons will proceed as normal.

For Sixth Form students only, there will also be a pyjama day on Monday 5th February and fancy dress day on Friday 10th February. Both of these events require a small donation of £1 each.

The Sixth Form would really welcome any support and contributions that you are able to give to this most deserving charity. For more updates, please follow us on Instagram (@uhscharityweek). Additional communications will also be delivered directly to learners through their form tutors.

Please do not hesitate to get in touch with any questions: carriganp@uptonhigh.co.uk

Yours faithfully,
The Sixth Form Leadership Team
