

Parent E-Bulletin – Summer Term Week Commencing 26th June 2023

New Scopay Feature

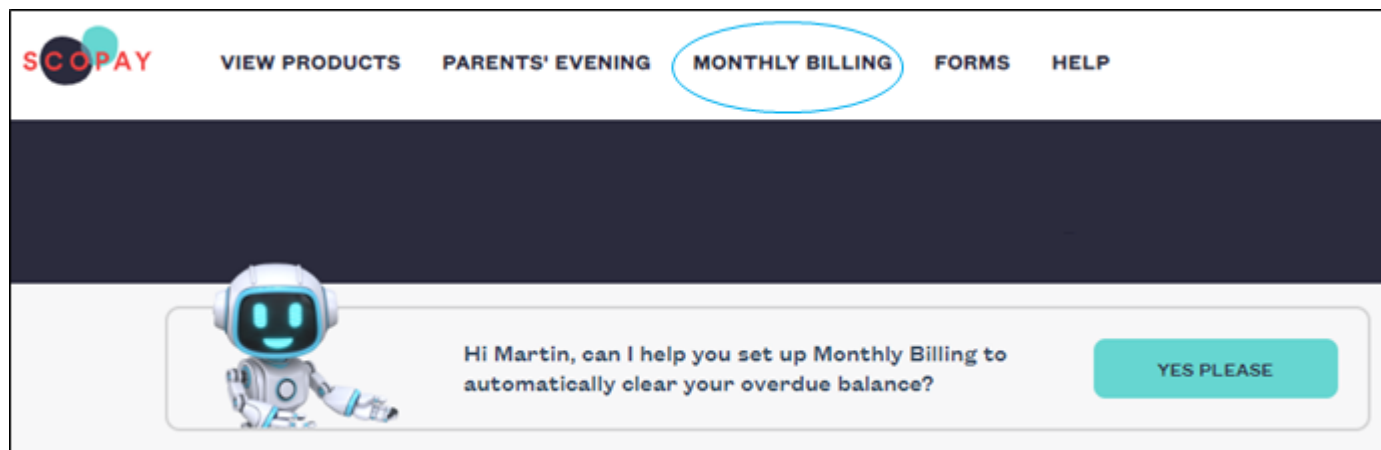

Dear Parents/Carers,

A new optional feature called **Monthly Billing** has been added to Scopay, which allows you to set up regular payments into your child's catering account on a day of your choice each month. It is also possible to make automatic scheduled payments for trips this way (please refer to the Setup Guide linked below for further details).

You can activate this function and configure your account using the menu option at the top of your Scopay account, or following the "Scobot" prompts.

Please be aware that the school will not be able to amend any settings in relation to this function on your behalf, and you will need to cancel it when you no longer wish further payments to be taken.

Further information is provided in Scopay's promotional [letter](#) and [Setup Guide](#)

Gold Standard Careers

We are delighted to inform you that we have once again achieved our nationally acclaimed 'Inspiring IAG' kitemark award at the **Gold Standard**. This award shows the strength of our careers offering within school and how we best prepare all of our learners for their own individual next steps.

We value and appreciate the involvement of all our parents who have contributed by providing talks or work experience opportunities. If you are able to offer such career talks then please get in touch, we would relish the opportunity for you to share your insights with our learners. To begin this process please email gwylthere@uptonhigh.co.uk
