

Tuesday 4th July 2023

Dear Parent / Carer,

Please see below the final details for Wednesday 5th and Friday 7th of July. As you will be aware from my previous letter we are expecting significant disruption to the normal running of the school due to the planned strike action.

Learners in Year 7 – 9

Severe limitations on numbers of staff in school mean that learners in Years 7-9 will need to remain at home.

Teaching colleagues who are not taking strike action will set work using Google Classroom for their usual classes and will be available to provide support on Google Classroom throughout the time that the lesson will be taking place. Unfortunately, we are not in a position to confirm which staff will, and will not be setting work. This means some learners may have all five lessons delivered, whilst others may have none.

If any learners are seeking further work we will be positing some additional year specific resources to Google Classroom to support them in their learning.

Year 12

Learners in Year 12 are expected to attend school as usual and will attend lessons when their teacher is present and undertake private study in the Hub or other designated areas in school if their teacher is unavailable. Learners should register with Mr Lewis in the Hub. The canteen will be open as normal for all learners who are on site.

Year 10

Year 10 are expected to attend school as normal and in full school uniform. The canteen will be open as normal for all learners who are on site.

Learners will register in the following rooms and will remain in these rooms undertaking private study. We will also be running two study support sessions across these days. Where teachers are not involved in strike action, learners will attend lessons as normal.
