

## Parent E-Bulletin – Autumn Term Week Commencing 18<sup>th</sup> September 2023

### Road Safety

The safety of our learners is of the highest priority. Due to limited access to the school site we ask that parents and carers who are dropping children off to please avoid stopping near to the school gates on St James Avenue as this is creating a hazard to learners and other road users.

L Cummins  
Headteacher

### Information Evenings for Parents/ carers

We will be holding Information Evenings for parents/ carers of each year group over the course of this academic year. Once the Information Evenings have taken place the slides will be available to access via the parent tab of the school website:

### Operation Encompass

**OPERATION ENCOMPASS**

**Operation Encompass is a national scheme that operates jointly between schools and all police forces.**

“Children who live in homes where there is domestic abuse, or who experience domestic abuse in their own teenage relationships, can be negatively impacted by this experience.”

“Children who experience domestic abuse are recognised as victims of domestic abuse in their own right<sup>1</sup>.”

“We have ensured that a member of our staff, (Designated Safeguarding Lead) known as a Key Adult, has been trained about Operation Encompass procedures. This allows us to use the information that has been confidentially shared with us by the police, to understand how a child may be impacted by domestic abuse and to then offer support to the child/ren in our care.”

“Operation Encompass means that our school will be told, prior to the start of the next school day, when police have attended an incident of domestic abuse where there is a child or young person who attends our school who is related to any of those involved in the incident.”

“This information means that we can understand a child’s behaviour and support that child in whatever way they may need or want.”

“We are keen to offer the very best support possible to all our pupils and we believe that being part of Operation Encompass helps us to do this.”
