WHAT ELSE HAVE WE BEEN UP TO IN MARCH AND APRIL?

YOFO - 2nd March 2024

Anna, Phoebe B, Imy, Meg, Owen and Sofia went to Stockport for this month's YOFO. The theme was Communication where we learnt some British Sign Language as well as learning about digital footprint and how to communicate with decision makers such as MPs and councillors. We all had such a great time at this month's YOFO and we learnt such a lot!

Face to Face Meeting - 25th March 2024

Anna, Amy, Meg, Owen and Malcolm met at HQ in Chester to discuss plans for our future projects following the recent Make Your Mark results as well as our involvement with the Youth Opportunities Grant. We want to use these projects to make a positive difference for young people in our area. Watch this space!!

YOFO Residential - 19th-21st April 2024

Anna, Amy, Meg and Owen went to Ambleside in the Lake District for this year's YOFO Residential. The theme was Debating and Campaigning and in the sessions we developed skills needed to create an effective campaign, as well as created our own campaign. An image shows Senate member Meg wearing her mental health campaign t-shirt. We participated in the Big Debate which focused on how crime impacts us based on our identity. We also enjoyed the beautiful surroundings and the outdoor activities such as canoeing and orienteering as well as networking with other young people in other Youth Councils from across the North West. We had such a great time at this year's YOFO Residential and are very much looking forward to attending the next one.

Thank you!

As much as it has been an exciting few months, we are sad to say goodbye to one of our Senate members. We wish to say a huge thank you to Adam for his contributions to our Youth Senate over the last few years. He is going onto new challenges and we wish him all the best!
