

## Learning to shape the future

Headteacher: Mr L Cummins B.Ed (Hons), M.Ed, NPQH

12<sup>th</sup> May 2021

Dear Parents and Carers

As you will no doubt be aware there has been a further iteration of the guidance for school operating during this current period of time. As a leadership team we are now considering this revised guidance and I will inform you of any changes by the end of the day tomorrow in preparation for Monday 17<sup>th</sup> May 2021.

I also wanted to make you aware that we are currently updating some of our IT systems in school, particularly those we use to communicate important information with you. This means that you may be unable to access the SIMs App that the school has historically used as we move to a new, more effective platform for communicating with parents. We are rolling this out over the coming weeks. Apologies for any inconvenience the lack of access to the SIMs App creates.

Yours faithfully

L Cummins  
Headteacher
