

Learning to shape the future

Headteacher: Mr L Cummins B.Ed (Hons), M.Ed, NPQH

28th May 2021

Dear Parents and Carers

I am writing to you at the end of another term at Upton-by-Chester High School.

Today we have said goodbye to our wonderful Year 13 and Year 11 learners. It was an absolute pleasure to join with them as they celebrated the respective milestones that they have reached. I was reminded that, in all the discussion about lost learning and the challenges that they have faced, they are a generation that we should be proud of. They have overcome challenges and pulled together in an extraordinary manner.

Whilst for some Year 11 learners this was the end to their compulsory education, I am delighted that a record numbers of learners are looking to join us next year in the Sixth Form.

Results Days

Obviously, we look forward to seeing learners at the results days in the summer. We will communicate all arrangements with you as the time gets closer.

Prom

We are still intending to run the prom for both year 11 and year 13. We will update you with further information on both these events once the Government announce the next stage of the relaxations of the current COVID regulations.

Lateral Flow Testing

Just a reminder that all learners should continue to test twice weekly during the holidays where they do not have symptoms. If anyone tests positive from 3pm on Friday 28th May 2021 – midnight on Sunday 30th May 2021 please contact myself, via the email address head@uptonhigh.co.uk. I will then be able to trace any contacts.

After midnight on Sunday 30th May 2021 please contact the NHS Track and Trace service to report a positive test.

Next Term

We look forward to welcoming all learners back to school on Monday 7th June 2021.

Yours sincerely

L Cummins
