

Friday 6<sup>th</sup> September 2024

Dear Parents and Carers,

I am writing to you as we approach the end of the first week of term.

Firstly, it has been wonderful to welcome the learners back to the school. The learners have been really impressive both in terms of their organisation and their positive attitude to learning. It is always great to see the Year 7 learners finding their feet and enjoying the opportunities and challenges of moving to a new school. We have also welcomed over 170 learners to Year 12, mostly from Year 11 but a significant number have joined us from other schools. We wish them and their families a warm welcome to our school community.

**Information Evenings**

Over the next few weeks there will be a number of important information events, the dates for which are shown below. Please do try and join us for these briefing sessions as there will be important information about the year group and plans for the academic year. You will receive a letter in advance of each of the evenings which will provide further information.

**School Photographs Year 7 and Year 12**

Learners in Year 7 and Year 12 have had their individual portraits taken by Tempest this week, they will be bringing home the proofs to enable you to order prints should you wish to.

**Considerate Parking**

We would kindly request that parents/ carers be considerate of our neighbours as well as the safety of all when parking near the school. Please do not park across driveways or cause obstruction and please turn engines off whilst stationary.

**Shared on behalf of the Immunisations Team FAO parents of Y9, 10 and 11 learners**

The School aged Immunisation Team will be running a Catch-up Immunisation Clinic for anyone that has missed their routine Human Papillomavirus Vaccination (HPV).
